

INTRODUCING

UNITED

Corporate Preferred

Now boarding,
business travel
made easy

Preferred upgrades

Receive tie-breaker preference for upgrades.

Downgrade and involuntary denied boarding protection

United Corporate Preferred customers are less likely to be impacted by a cabin downgrade or involuntary denied boarding.

Preferred reaccommodation

Receive increased consideration for better reaccommodation outcomes when a flight is delayed or canceled.

Preferred standby

Receive tie breaker prioritization when standing by for an earlier same-day flight (same origin and destination).

Preferred boarding

United Corporate Preferred Elite customers only
Enjoy Group 2 priority boarding.

Preferred seating

United Corporate Preferred Elite customers only
Enjoy access to preferred seats near the front of the aircraft, typically behind Economy Plus seating.

Preferred travel waiver

United Corporate Preferred Elite customers only
Use of a special waiver code for increased flexibility to change travel plans regardless of the waiver parameters issued.

Preferred seat protection

Receive preference in retaining an original seat or seat attributes in the event of an aircraft swap.

United Corporate Preferred is an exclusive, industry-leading multi-level benefits program offered to **select corporate customers** who have chosen to partner with United for their business travel. From booking to landing and everything in-between, **program participants will enjoy preferred treatment and consideration** that drive home the value of a corporate relationship with United.

Eligibility

- ☐ Tickets must be purchased on UA/016 ticket stock and flown on United or United Express operated flights.
- ☐ Tickets must have the corporate account's unique corporate tour code applied to the ticket at the time of booking.
- ☐ Travel must be for company business.
