

IAH SYD

New nonstop service between Houston (IAH) and Sydney (SYD)

- **Only nonstop service between Australia and Houston** offers customers from Houston as well as from hundreds of cities across the U.S. the opportunity to conveniently travel to Sydney.
- This route connects to **more than 70 cities across** North America, making one-stop service to Sydney faster than ever before.
- At 8,596 miles, this flight will be United's second longest flight. **United has more ultra-long haul flights than any other U.S. carrier.**

United's flight between Houston and Sydney is operated with a Boeing **787-9**

Dreamliner aircraft with a total of 252 seats – **48 flat-bed seats in United**

Polaris business class, 63 Economy Plus seats and 141 seats in United Economy. Experience greater comfort with **improved lighting, bigger windows, larger overhead bins,**

lower cabin altitude and enhanced ventilation

systems, among other passenger-friendly features.
